11. Tajikistan was ranked in Tier Two for trafficking in persons in 2006. Despite the government's will to combat trafficking in persons, its limited capacity and resources means that Tajikistan is in danger of falling into the Tier Two Watch List category. International organizations and nongovernmental organizations have stepped in to fill gaps in victim assistance and awareness raising. However, more assistance is needed in building the capacity of law enforcement bodies to investigate trafficking cases and prosecute trafficking criminals.

12. Embassy Dushanbe has solicited proposals from local and international nongovernmental organizations and international organizations for the G/TIP managed FY 2007 ESF and INCLE funds per ref tel request. Post received a total of 11 proposals and convened a panel of officers from the Department of State, Department of Justice and USAID to review the proposals. Below is the summary information and abstract of two proposals Post recommends for further consideration by G/TIP. Post will separately transmit all proposals including the two recommended ones to G/TIP via email per ref tel's request. The projects below do not duplicate other efforts by the Embassy and complement assistance by other organizations.
